Dear Parents and Caregivers

It is time for our first Learning Conferences for 2020. These will be held next week on

- **Wednesday 4th March (school finishes early at 12.00pm)**
- **Thursday 5th March (school finishes as normal)**

Learning Conferences are designed to establish a 2020 learning partnership between parents/caregivers, your child and their teacher. The focus of these are children sharing their learning to date and together setting learning goals for term 1 and 2 in 2020. For teachers and parents it is time to talk to ensure that everyone is on the same page in supporting our learners to be successful in 2020.

It is incredibly important that as their parents/caregivers you support this conference by attending. By making the time to attend you are letting your child know that you take their learning seriously, and that you want them to achieve their goals.

We are aware that these conferences are only for **15 minutes**, which doesn't allow time for in-depth achievement, social or behaviour discussions with the teacher. However you can make alternative arrangements on the night to meet your child's teacher/s at another time or ask them to make phone contact with you.

As in the past we are using an online booking form. When using this site you can see the times available and make your booking; it can even send you a confirmation email. If you do not have access to the Internet please give the office a call or pop in and Carol can make the booking for you.

Times available are between

- **Wednesday 4th March 12.30pm to 6.45pm.**
- **Thursday 5th 3.15 and 5.15 pm.**

The URL of the site to make your bookings is: www.schoolinterviews.co.nz. The code is **kja93**

School will be finishing early on Wednesday, however bus children can remain in the library until 3pm if needed.

Thanks
