

## Fundraising Practitioner/Committee Chair

### Voluntary Role

Greytown School wants to appoint a skilled fundraising professional to establish and lead a new fundraising committee.

This is an unpaid role, but the rewards will be your contribution to our children's excellent education, working in a positive, collegial and fun way with other like-minded parents and caregivers, and adding to your own work experience.

We are looking for someone who is self-motivated, energetic and likely to have previous experience in fundraising, events management and/or other forms of management.

The first task will be to work with the Board of Trustees to define and set up a Fundraising Committee.

If you are interested, please contact us with all relevant details and we would be so pleased to hear from you.
