Term 3 Week 6

This week we have had a property milestone with the Kawaka students (Rooms Mei, Mudgway and Jones) moving back into their refurbished classrooms. We also have the hall back so tomorrow we will have our first assembly in many weeks!

The Kauri students organised and ran another excellent market day - with a focus on sustainability in their product choices.

PB4L reward - Pajama Day:

The students have earned their next reward - a Pajama Day - which will be next Thursday 31st August - students are welcome to come to school in their pajamas, onesies or oodles on the day.

There is no cost to this as it is not a fundraising activity. It is to acknowledge the positive choices students make.

Hot Dog Fundraiser - Trips Trust

On Friday 8th September we will be having a hot dog fundraiser to go towards the Trips Trust. The trips trust supports families with expenses related to camps and trips. Order forms will be out soon!

If you would like to help with the fundraising, please contact the office. We would need people from 11am - 1 pm.

If you are wanting to apply for support with camp, please fill in this [form](#) by the end of week 9 (15th September).

Message from the EnviroSchool:

EnviroSchool are having a sustainable focus on our lunchboxes.

We have noticed alot of our rubbish is from lunchboxes and it is blowing around the school.

We have decided that all lunchbox rubbish will now be coming home.

Thank you for your support with this.

The Great Greytown School Brick Sale

Greytown School are on a mission to upgrade our junior playground this year. The current playground is very well used, but our growing role means we need to provide more space for our young ones to play, exercise and test their limits!

Now all we need is your support to make this a reality. You have the opportunity to leave a permanent memento of your family, kids, or loved ones at the school by purchasing one of a limited number of engraved bricks, which will be used to build a path in or near the new playground. You may want to engrave your family name, dedicate it to someone special, or leave some inspirational wisdom for future generations. Whatever you choose, a record your kindness and generosity will literally be cemented in place in our new playground!

Ordering is simple - just jump over to our Shopify site at <https://greytown-school.myshopify.com>. It's safe and secure, but if you're not confident ordering via the website then please get in touch with the school office or one of our board members for assistance.

We'll get you sorted!

Thanks so much, this is a key infrastructure project for the school this year, and we couldn't do it without you!
